Your request:

Freedom of Information request

Dear Climate Change Committee Team,

I am writing to request information under the Freedom of Information Act regarding the project titled "Assessing the Feasibility for Large-Scale DACCS Deployment in the UK". Specifically, I would like to know:

1. The name of the contractor who delivered this project.
2. Whether the research findings have been published and, if so, how I may access them.

Thank you for your assistance. Please let me know if any further details are required to process this request.

Kind regards,

[name redacted]

Our response:

Thank you for your request. We have handled your request under the Freedom of Information Act 2000 (FOIA).

1. We commissioned City Science to deliver this report.
2. This report has not been published yet. We plan to publish this report in February 2025, alongside our Seventh Carbon Budget advice.

Information disclosed in response to this FOIA request is releasable to the public. In keeping with the spirit and effect of the FOIA and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on the CCC website, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the CCC website.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. If you are not content with the outcome of the review, you may apply directly to the Information Commissioner for a decision. In keeping with our transparency policy, the information released to you will be published on www.theccc.org.uk. Please note that this publication will not include your personal data.

Kind regards,

Climate Change Committee
