Your request:

Dear Information Team

This is an information request relating to staff networks.

Please include the following information for the following years, 2019/20, 2020/21, 2021/22 and 2022/23:

A list of all the staff networks at the organisation

Whether each network receives internal funding and, if so, how much (please express annually for the last four financial years)

How much FTE equivalent staff time each network is entitled to. For example, a staff network may have a chair who's entitled to spend 10% of their working hours devoted to the network (please express annually for the last three financial years)

A list of events that each network has held in this financial year so far (April to the present day), including the title of the event, information on any guest speakers and the time of the event

If it is not possible to provide the information requested due to the information exceeding the cost of compliance limits identified in Section 12, please provide advice and assistance, under the Section 16 obligations of the Act, as to how I can refine my request.

If you have any queries please don't hesitate to contact me via email or phone and I will be very happy to clarify what I am asking for.

I would prefer a response via email, but if this is not possible, I will gladly accept letters to the address below.

Please acknowledge this information request as soon as possible.

Kind regards
